FAMILY VOICES

OF NORTH DAKOTA[®]

Navigating Crossroads to Hope

Greetings all! Some of you may know in the past several years we have designed a publication entitled "What do North Dakota Families Say about Health Care for Children with Special Health Care Needs. We asked families to complete a survey both in 2006 and 2009. We are asking again for your families assistance. http://fvnd.org/yahoo_site_admin/assets/docs/2009What_Do_North_Dakota_Families_Say_About_Health_Care_for_Children.20984107.pdf

I have enclosed the publication, the new survey that we would like families to complete will assist us with the publication to view over a course of several years. We hope you will also view this as very valuable information which also guides policymakers, agencies and activities FVND provides.

We would like as many families as we possibly can to answer the survey. Within the survey is an area to leave your name, address and phone number. For those who provide their contact information, we will draw for a \$100 gift card.

See link for the survey: <http://www.surveymonkey.com/s/PCLST97>

We hope you will take the time to answer the questions within the survey, it will help us a great deal.

Thank you in advance and do share with other families who would be willing
