Dear Human Services Stakeholder,

Thank you for your past and continued interest in the programs and services of the Department of Human Services. Although the 2013-2015 biennium has just begun, dialogue about the effective and efficient delivery of human services is ongoing and budget preparation for the next biennium is not that far away.

The Department of Human Services' senior management team invites you to attend one of the upcoming regional stakeholder meetings scheduled for September 2013. You understand the challenges that clients, their families, and providers encounter and we value your input. We hope you will reserve time to attend and visit with staff of the Department about areas of interest or concern. This is also an opportunity for you to share ideas and recommendations about priority areas and the future direction of human services.

The enclosed schedule lists stakeholder meeting dates, times, and locations, as well as a local contact person in each of the state's eight human service centers. If you need special accommodations to participate, please call the contact person listed on the schedule for the meeting you plan to attend.

We appreciate you as a partner in North Dakota's human services delivery system and hope you can attend. If you are unable to join us, we invite you to submit ideas, concerns, or recommendations to the Department. Please send them to me at 600 E Boulevard Avenue, Dept. 325, Bismarck ND 58505-0250, or [dhseo@nd.gov](mailto:dhseo@nd.gov).

Sincerely,

Maggie D. Anderson  
Executive Director
